Dear TERRY SCHWARTZ:

Re: LEE MOORE

Preferred Health Care Ltd. (PHC), the Central Review Organization (CRO) for General Motors Corporation; determines the medical necessity of mental and health and substance abuse treatment and authorizes the payment of benefits for enrollees of General Motors/Connecticut General Health Benefit Plan, known as CARELINE.

This letter is in regard to the treatment of the above named patient. Based on a review of the information provided by the treating physician and/or other members of the treatment team, PHC has determined that treatment for the period from 3/30/92 to 5/01/92 meets PHC's national professional criteria for medical necessity.

06 UNITS FROM 03/30/92 THRU 05/01/92

Additional treatment beyond these dates, as well as specific services such as psychological testing, must be reviewed in advance before PHC will recommend payment. Therefore you must call 1-800-235-2302 for consideration of further authorization.

Please note that this letter does not guarantee payment for services. In addition to the Predetermination Requirement for reimbursement, payment depends on a number of factors including the enrollee's eligibility for coverage under the benefit plan, benefit plan limitations and the coordination of benefits with other plans.
